#### I. THE FLAGSHIP: THE MATTHIAS JONES MYSTERIES

**Genre:** Procedural Dramedy / "Granite Noir"

**Scope:** 13 Completed Novels (13+ Seasons of Episodic Content)

**The Hook:** A three-sport college coach with "Detective DNA" navigates a town of eccentric locals, corrupt power players, and the New England Mafia. Think *Bosch* meets *The Rockford Files* set in a coastal New Hampshire "Ivy League" college town.

**Key Characters:**

- **Matthias Jones:** The "Student of Detail." Persistent, principled, and often driven to apoplectic rage by local incompetence.
- **Coco Stefani:** The street-wise owner of Club Max. The bridge to the underworld.
- **Hamilton Fletcher:** The "Aunt Lucy"-drinking patriarch who owns the town.
- **The Nemesis:** DA Herbert Lane and his ego-centric, gold-jewelry-laden assistant.
- **The "Townies":** A deep bench of recurring characters (Lark Larson, Bucky Driscoll, Jerry Sinclair) that provide consistent humor and subplots.

**Pilot Episode (*The Strange Death of Dr. Povitch*):** A world-renowned professor is poisoned at dinner but collapses an hour later in a telescope observation area. Matthias must outmaneuver the killer—the doctor's own understudy, Fred Dempsey—and a bumbling security apparatus to prove it was murder.

#### II. THE HISTORICAL FRANCHISE: THE PATCH KINCAID SERIES

**Genre:** Historical Thriller / Forensic Sci-Fi

**Scope:** 4 Volumes + Extensive Research Archive

**The Hook:** A forensic deep-dive into the 20th century’s greatest conspiracies. Backed by **873 sourced footnotes** and collaboration with the **Sixth Floor Museum**, this series uses a "time-displaced" investigator to interrogate the assassinations of JFK, RFK, and MLK with terrifying logic.

---

**III. THE EPIC: THE SOJOURN SAGA**

**Genre:** Cosmic Sci-Fi / Multi-Generational Epic

**Scope:** 4 Volumes

**The Hook:** A high-concept odyssey that connects a technologically advanced future with a foundational origin story set in **Appleton, 1882**. It explores the "T-Buhn-Shar" and the destiny of Tom Loftus across the boundaries of time and reality.
